NEGRO WOMEN REFUSED BALLOTS IN SAVANNAH.

Savannah, Ga., Nov. 11.—Negro women were refused ballots at the voting places in Savannah today. Many Negro women have registered here since the suffrage amendment became effective, but the election judges ruled that they were not entitled to vote because of a state law which requires registration six months before an election.

No white women presented themselves at the polls.

Rheumatism

A Remarkable Home Treatment
Given by One Who Had It

In the Spring of 1918 I was attacked by Rheumatism and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but each relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with rheumatism, some of them 70 to 80 years old, and results were the same as in my own case.

I want every sufferer from any form of rheumatism to try this remedy, and I want you to know that it is a cure, simply mail your name and address and I will send you the remedy. After you have used it and it has proven itself to be that long-looked-for means of getting rid of your rheumatism, you may send the price of it one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when relief is thus offered you free? Don't delay. Write today.
